

Worksheet F: Photo Selection

Work with your partner to choose photographs to include in the exhibit. Some things to consider when making your selections:

- *Which photos are your (or your partner's) favorites?*
- *Which photographs are the most interesting to look at?*
- *Which photographs have the most to say?*
- *Which photographs best reflect your vision or style?*
- *Which photographs work well together?*

Once you've made your decisions, complete a copy of this form for each photograph you selected.

1. What is the name of the photographer (you!)?

2. Where and when was this photograph taken?

3. What title have you given this photograph?

4. Why did you choose to include this photograph?

5. What are you trying to communicate in this work?
